High School Diploma
Khalifa Secondary School For Boys
present

Work Experience

FIFA World Cup Volunteering
Technical Support
Nov 2022 – Dec 2022

- Guided the spectators.
- Helped police officers with scanning device issues.
- Helped the spectators with issues with their tickets and hayya cards.
- Helped with the language barrier between the police officers and the spectators.

Web Development Experience

Personal Portfolio
Created a multi-language portfolio entirely on iPad Pro using modern HTML, CSS & JavaScript technologies.

Front End Mentor Challenge
Completed a responsive landing page challenge using modern HTML & CSS technologies including relative units, pseudo-classes, modern color syntax, flexbox, and grid.

To Do List App
Created a To-Do List App that saves your tasks to local storage with functionalities such as removing, editing, and marking tasks as complete using modern HTML, CSS, JavaScript, and Sass Technologies.

Publications

Coding on iPad - Article
Covered desktop-class apps for development on iPad, why it is good to code on iPad and why shall one do it.
